Clinical Assessment & First-Aid Guidelines

[Dx] Likely Issue: Lumpy Skin Disease

? Urgency: High

? Action Steps:

- Keep this animal away from all other cows immediately.
- Give plenty of clean water and soft, easy-to-eat food.
- Call your local vet or PashuDhan officer right now for medicine.
- Wash your hands and feet with soap after touching the animal.

Disclaimer: PashuSetu AI provides preliminary automated triage support only. Always consult a licensed veterinary doctor for laboratory confirmation, prescription antibiotics, and definitive therapy.
